

METCO Support Fund Request for Funding 2023-2024

The purpose of BAR's METCO Support Fund is to promote the participation of Belmont METCO students in regular school activities and to foster connections between Boston students and families and their counterparts in Belmont. The Fund may also be used to further anti-racist education of students and staff in the Belmont Public Schools that will be of benefit to METCO students.

Grants for programs or events that serve this purpose can be applied for by Belmont teachers, administrators, students and their families. BAR would appreciate receiving the funding request at least 30 days prior to the event. We would appreciate knowing if other funding sources are being used for this event. A follow-up report is expected as soon as possible after the event is over.

Please complete this form electronically and return it via e-mail to:
